Architectural elevation drawing of the building facade. The drawing shows a modern building with a textured, possibly tiled, roof. The facade features large glass windows and doors. On the left, there is a vertical scale bar labeled '5.10'. The building is set against a background of a textured ground surface.

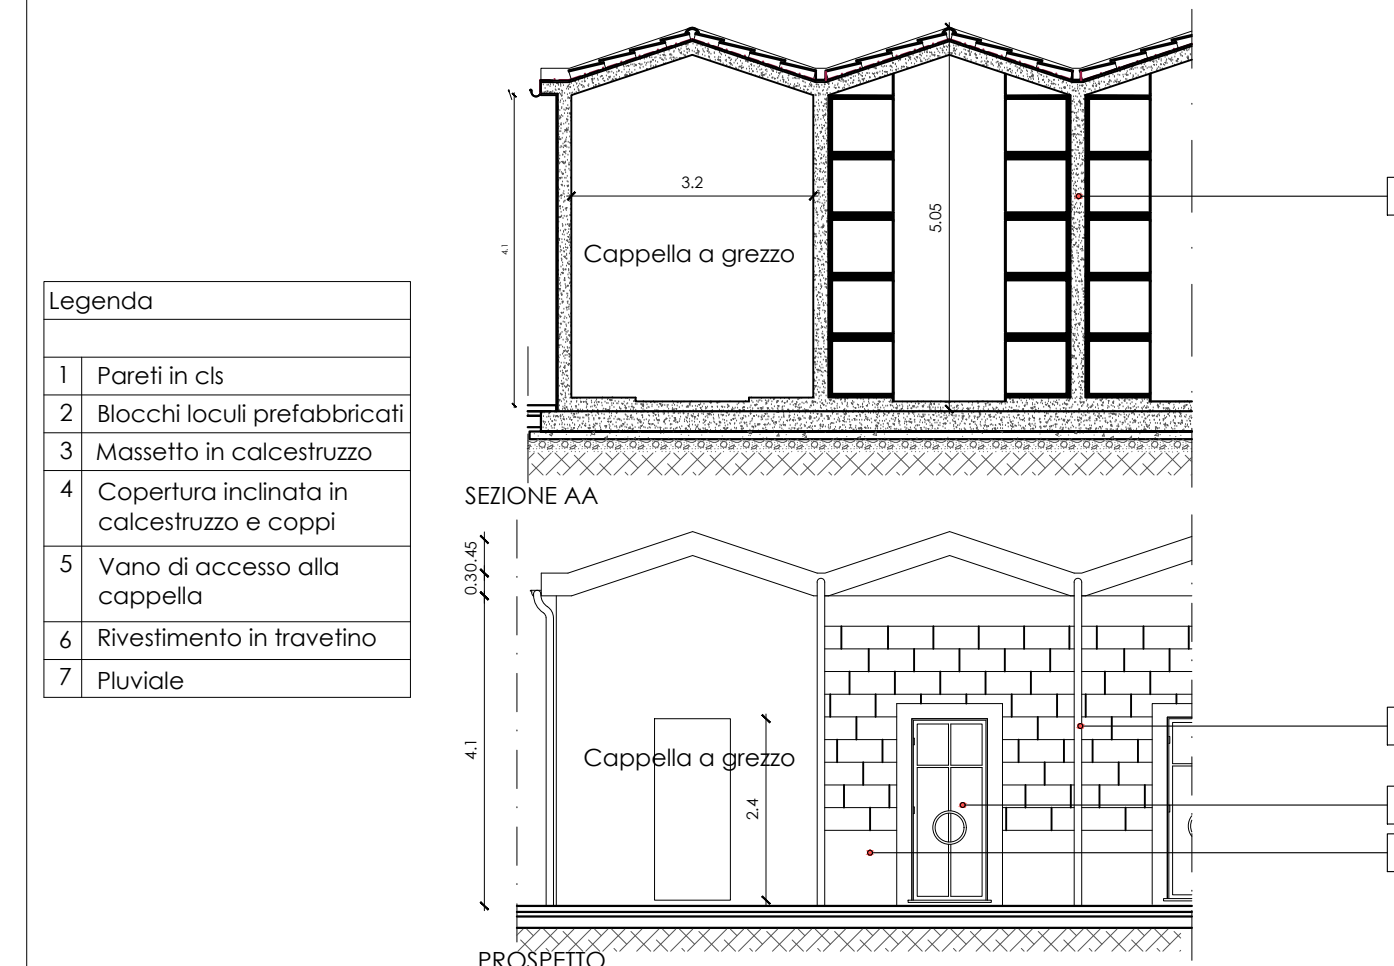

This architectural elevation drawing shows a long, low building facade with a variety of rooflines and window arrangements. From left to right, the features include: a section with a gabled roof and horizontal siding; a section with a gabled roof and a large multi-paned window; a section with a gabled roof and a large multi-paned window; a section with a gabled roof and a large multi-paned window; a section with a gabled roof and a large multi-paned window; a section with a gabled roof and a large multi-paned window; a section with a gabled roof and a large multi-paned window; a section with a gabled roof and a large multi-paned window; a section with a gabled roof and a large multi-paned window; and a section with a gabled roof and a large multi-paned window. The drawing is a black and white line art illustration.

The image displays two architectural drawings of a building section, labeled 'SEZIONE B8'.

The top drawing is the 'PIANTA LIVELLO TERRA' (Ground Level Plan). It shows a cross-section of a building with a central vertical axis. The drawing includes dimensions: a total width of 3.2, a central opening width of 2.4, and a side opening width of 2.4. A vertical dimension of 2.75 is indicated on the left side. A section line A-A is shown on the left, and a section line B-B is shown at the top. A small red dot is located on the central vertical axis.

The bottom drawing is the 'PIANTA LIVELLO COPERTURA' (Roof Level Plan). It shows a cross-section of the building with a central vertical axis. The drawing includes dimensions: a total width of 3.2, a central opening width of 2.4, and a side opening width of 2.4. A vertical dimension of 2.75 is indicated on the left side. A section line A-A is shown on the left, and a section line B-B is shown at the top. A small red dot is located on the central vertical axis.

The bottom drawing is the 'PROSPETTO LATERALE' (Side Elevation). It shows a side view of the building. The drawing includes dimensions: a total height of 3.15, a central opening height of 2.75, and a side opening height of 2.75. A section line A-A is shown on the left, and a section line B-B is shown at the top. A small red dot is located on the central vertical axis.
