Architectural drawing of the West Elevation (Prospetto Ovest) of the building. The drawing shows a cross-section of the building with a central arched opening. The elevation is divided into three main sections: a left section with a height of 4.00m, a central section with a height of 4.00m, and a right section with a height of 4.00m. The drawing includes a table of dimensions and a table of materials.
