

The architectural site plan illustrates the layout of the Ospedale San Michele complex. Key features include the Mura della Rocca (Walls of the Rock) forming a central courtyard, the Chiesa del Suffragio to the northeast, and the Autopalace at the southern entrance. The plan is divided into several zones labeled A through G. Twenty-two numbered points of interest are marked throughout the site, with a legend indicating their significance for photography and wall elements. The plan also shows surrounding streets like Circonvallazione Via Oberdan and various piazzas such as Piazza Dante and Piazzale Diaz. A scale bar at the bottom indicates distances up to 1.552 meters.
